### "Sips n Tips"

Zinfandel wines have incredible depth and concentration of berry fruit flavors and spicy notes, so serve with herbaceous beef stews, grilled vegetables and red pepper pesto.

### Tasting notes:

**Why wait? When this 2005 zinfandel is at its peak. Enjoy the prune jam, candied fruit. Explore the peppery back tones and the chocolaty vanilla flavors.**

**The taste is very smooth with lots of roundness. Find a spicy beginning followed by red berry jammy finish.**

**To drink now and in the next few years.**
