OLD VINE SYRAH

2009, California

Awards:

“Sips n Tips”

The name Syrah is derived from Shiraz, a city in Iran. Some people believe its origin dates back to 600 B.C. One thing we know for certain is that the great black grape is the classic varietal of the Rhône Valley. When in a richer style, it's a good accompaniment to lamb and wild game.

Tasting notes:

This is a deep dark purple red wine. The nose is filled with dark fruit, black current, almond joy & cocoa. The taste is smooth and fruity. This is a generous wine easy to drink yet firm. Black cherries dominate the flavors with hints of tobacco.
